389-412, 2000.

Small-scale business and development projects are often funded by private donors, but they are also funded by governments. The World Bank, for example, has a long history of supporting small-scale business and development projects. The World Bank's Small Business Development Bank (SBDB) is a key institution in this field. The SBDB provides financial and technical assistance to small businesses, and it also provides training and technical assistance to small business owners. The SBDB is a key institution in the field of small business development, and it is a key institution in the field of small business development.
