Figure 1

SECRET
NOFORN

The image is a heavily distorted and mirrored scan of a document, possibly a form or certificate. It features a large, circular stamp in the center, which is also mirrored. The text is largely illegible due to the extreme distortion and mirroring. Some visible fragments of text include "FEBRUARY 1964" and "RECEIVED". The overall appearance is that of a low-quality, high-contrast scan of a physical document.
