In cases of emergencies or situations where you feel that your life or the life of another person is in danger, you have the right to self-defense. It is important to remember that self-defense is a defense mechanism that can be justified for your own safety.

After repeated efforts to eliminate the remaining shareholders' rights, the Board of Directors of E.ON Energy Research Center, Inc. ("E.ON Energy") has now succeeded in its goal to eliminate the shareholders' rights of the company's largest shareholder, the U.S. subsidiary of E.ON AG ("E.ON USA"). The Board of Directors of E.ON Energy has adopted a resolution to amend the company's articles of incorporation to eliminate the shareholders' rights of E.ON USA. The amendment will be effective as soon as it is filed with the Secretary of State of the Commonwealth of Massachusetts. The amendment will eliminate the right of E.ON USA to nominate directors to the Board of Directors of E.ON Energy, the right of E.ON USA to require the Board of Directors of E.ON Energy to call a special meeting of shareholders, the right of E.ON USA to require the Board of Directors of E.ON Energy to take certain actions, and the right of E.ON USA to require the Board of Directors of E.ON Energy to take certain actions.
