Stimulus: A word is presented. Response: A word is generated. Feedback: A word is provided.

Figure 1 is a schematic representation of the experimental design. It shows a sequence of three boxes connected by arrows. The first box is labeled 'Stimulus' and contains the word 'cat'. The second box is labeled 'Response' and contains the word 'cat'. The third box is labeled 'Feedback' and contains the word 'cat'. The sequence is labeled 'Stimulus', 'Response', and 'Feedback'.
