1. The first part of the document is a letter from the author to the editor of the journal, dated 1968. The letter discusses the author's interest in the topic of the journal and the author's intention to submit a paper to the journal. The author mentions that the paper is a review of the literature on the topic and that it is intended for the journal's readers. The author also mentions that the paper is a result of the author's research and that it is a contribution to the field. The letter is signed by the author and dated 1968.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
