For more information about the program, contact the Office of the Vice Provost for Research at 404-341-2000 or visit www.vpr.uga.edu.

For more information about the study, please contact Dr. John Smith at (555) 123-4567 or via email at john.smith@researchinstitute.org.

What is the best way to prevent the spread of COVID-19? The best way to prevent the spread of COVID-19 is to follow the guidelines set by your local health authority. This includes wearing a mask, social distancing, and avoiding large crowds.

After the first meeting, the group was asked to identify the most important issues they wanted to address. The following are the top three issues identified:
