Figure 1 displays a 4x4 grid of bar charts. Each row represents a different group of respondents, and each column represents a different category. The categories are labeled 1 through 16. The groups are: 'All respondents', 'Non-respondents', 'Respondents who did not complete the survey', and 'Respondents who completed the survey'. The y-axis for each chart represents the percentage of respondents, ranging from 0% to 100%.

| Category        | All respondents | Non-respondents | Respondents who did not complete the survey | Respondents who completed the survey |
|-----------------|-----------------|-----------------|---------------------------------------------|--------------------------------------|
| 1. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 2. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 3. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 4. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 5. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 6. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 7. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 8. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 9. No response  | 0%              | 0%              | 0%                                          | 0%                                   |
| 10. No response | 0%              | 0%              | 0%                                          | 0%                                   |
| 11. No response | 0%              | 0%              | 0%                                          | 0%                                   |
| 12. No response | 0%              | 0%              | 0%                                          | 0%                                   |
| 13. No response | 0%              | 0%              | 0%                                          | 0%                                   |
| 14. No response | 0%              | 0%              | 0%                                          | 0%                                   |
