

| Table 1                                       |       |
|-----------------------------------------------|-------|
| Summary of the data collected from the survey |       |
| Variable                                      | Value |
| Number of respondents                         | 100   |
| Gender                                        |       |
| Male                                          | 55    |
| Female                                        | 45    |
| Age                                           |       |
| 18-25                                         | 20    |
| 26-35                                         | 30    |
| 36-45                                         | 25    |
| 46-55                                         | 15    |
| 56-65                                         | 10    |
| 66+                                           | 5     |
| Education                                     |       |
| High school                                   | 10    |
| College                                       | 30    |
| University                                    | 40    |
| Postgraduate                                  | 20    |

| Table 2                                       |       |
|-----------------------------------------------|-------|
| Summary of the data collected from the survey |       |
| Variable                                      | Value |
| Number of respondents                         | 100   |
| Gender                                        |       |
| Male                                          | 55    |
| Female                                        | 45    |
| Age                                           |       |
| 18-25                                         | 20    |
| 26-35                                         | 30    |
| 36-45                                         | 25    |
