QUESTIONS: ALSO CURRENT FOR SUBJECTS TO 1971 AND 2016. HMOs: 1971-2016
OF THE MOST FAVORABLE

On the other hand, the fact that the number of people who have been convicted of a crime is not a good indicator of the crime rate is also true. For example, the number of people who have been convicted of a crime is not a good indicator of the crime rate because many people who are convicted of a crime are not actually guilty of the crime. In addition, the number of people who have been convicted of a crime is not a good indicator of the crime rate because many people who are convicted of a crime are not actually guilty of the crime.
