Wolfgang and Barbara Lippert, founders of the Lippert Foundation, have established a \$1 million scholarship fund at the University of Wyoming.

There is no evidence to support the claim that the use of a mobile phone increases the risk of developing a brain tumor.

小學六年級——《中華民族精神》

A photograph of a document page. On the left, there is a handwritten signature that appears to read "Michael J. Wolff". To the right of the signature is a circular official stamp from the FBI Laboratory. The stamp contains the text "FEDERAL BUREAU OF INVESTIGATION", "U.S. DEPARTMENT OF JUSTICE", "LABORATORY", "MICROSCOPY", and "EXAMINER".
