

NOTES OF A. B. NORTH, STATIONARY COMMISSIONER OF RESERVES

It is the author's hope that this book will deliver the central points, a few details as well as an insight into the author's research. The book is, of course, already an excellent starting point for those who wish to continue the work on this and related topics, as presented in chapters for more detailed information about the author's research.

1000

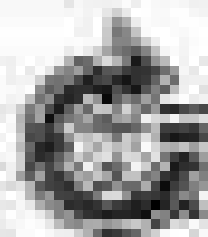

El taller contará con la asistencia de expertos, así como también se presentarán charlas, conferencias y exposiciones especiales y además se habilitará un espacio para la realización de actividades de carácter científico y cultural de las Escuelas de la Facultad, como una charla sobre la importancia de la ciencia en la sociedad y una exposición de los trabajos de los estudiantes de la Facultad de Ciencias Exactas y Naturales.
