1. Introduction

[illegible]

SECRET

1. The first part of the paper is a review of the literature on the effects of the 1997 Asian financial crisis on the economies of the Asian countries. It shows that the crisis had a significant negative impact on the economies of the Asian countries, particularly on the economies of the newly industrialized countries (NICs). The second part of the paper is a review of the literature on the effects of the 1997 Asian financial crisis on the economies of the Asian countries. It shows that the crisis had a significant negative impact on the economies of the Asian countries, particularly on the economies of the newly industrialized countries (NICs).
