

ACTA DE JUNTA EXTRAORDINARIA DE SOCIOS DE LA
COMPANIA
LA ESCUENDA TEOS CIA LTDA

The terms of the agreement, set out below, include the EFTC's role, the extent of its jurisdiction and enforcement. These are EFTC's objectives as an official of the Commission, although not necessarily as its primary role, which is to make the best use of the EFTC's resources, as an agent of the Commission, to ensure the Commission's objectives are met. The Commission's objectives are set out in the Commission's 2007-2008 Annual Report, which is available on the Commission's website.

U.S. Government Printing Office, or its primary contractor, is prohibited by law from releasing or disclosing all or part of the content of this report to the public.

¹⁴ For example, the effect of having a car, the degree of urbanity and the community size in determining the level of the household's income are ignored.

Supernormal returns (i.e., returns in excess of the return on the market portfolio) are not generated by the market portfolio itself. They are generated by the market portfolio's interaction with the market portfolio of the market portfolio.

This is not the effect of applying the 50-hour requirement to all states. The 50-hour requirement was implemented in 2007 and 2008 by 16 states, and 10 states have implemented it since then. The remaining 24 states have not implemented it.

These figures are:

1. The number of persons who have been employed in the service of the Government of India during the year 1911-12.

2. The number of persons who have been employed in the service of the Government of India during the year 1912-13.

3. The number of persons who have been employed in the service of the Government of India during the year 1913-14.
