THE HISTORY OF THE CITY OF BOSTON

The city of Boston, situated on a peninsula in the State of Massachusetts, was first settled by English colonists in 1630. It was the first of the New England colonies, and its history is a record of the growth and development of the American people.

The city was founded by a group of Puritan settlers, who came to the New World in search of a better life.

At first, the city was a small village, but it grew rapidly as more settlers came. By 1680, it had become one of the largest and most important cities in the colonies. It was the center of the New England trade, and its harbor was one of the busiest in the world.

The city was the scene of many important events in American history. It was here that the first American Revolution broke out, and it was here that the first American Constitution was written.
