

THE JOURNAL OF COMBINATORIAL THEORY

The Journal of Combinatorial Theory is devoted to the publication of research papers in combinatorics. The Journal is published in two parts, A and B, and is published quarterly. The Journal is published by the American Mathematical Society.

Volume 10, Number 1, 1976

1. **Combinatorics**
2. **Algebra**
3. **Geometry**
4. **Topology**
5. **Analysis**
6. **Probability**
7. **Statistics**
8. **Mathematical Physics**
9. **Mathematical Biology**
10. **Mathematical Economics**
