NAME	ROLE	STATUS	LAST UPD.
John Doe	Manager	Active	2023-01-15
Jane Smith	Analyst	In Progress	2023-01-10
Mike Johnson	Designer	Pending Review	2023-01-12
Alice Williams	Developer	On Hold	2023-01-08
Bob Green	QA Tester	Completed	2023-01-14

This table displays the current status of various software development tasks assigned to the team. The tasks include Managerial, Analytical, Design, Development, and Quality Assurance roles. The status column indicates whether each task is active, in progress, pending review, on hold, or completed. The last update date shows when each task was last modified.

The table is currently showing 5 rows of data. The first row, 'John Doe', is active and was last updated on 2023-01-15. The second row, 'Jane Smith', is in progress and was last updated on 2023-01-10. The third row, 'Mike Johnson', is pending review and was last updated on 2023-01-12. The fourth row, 'Alice Williams', is on hold and was last updated on 2023-01-08. The fifth row, 'Bob Green', is completed and was last updated on 2023-01-14.

Project Overview

The project is currently in its planning phase, with the initial design and architecture work completed. The team is currently focused on developing the core application logic and integrating external APIs. The QA team has started testing the initial build, and the manager is monitoring progress closely.
