

# ANALISIS DE FUNCIONES

# RECICLACION GENERAL DE REGLAS

A collage of three black and white photographs. The left photo shows a close-up of a document with the number '10' and the word 'ECUADOR'. The middle photo shows a building with a sign that reads 'IMPRESO EN EL INSTITUTO SEP'. The right photo shows a person in military uniform standing next to a vehicle.

The image displays two Ecuadorian postage stamps side-by-side. Both stamps feature a jaguar in a dynamic pose, leaping towards the right. The jaguar is set against a dark background with a textured, diamond-shaped pattern. The left stamp is a 50-centavo value, and the right stamp is a 10-centavo value. Both stamps include the word "GUARDIA" in large letters across the center and "ECUADOR" in a circular border around the jaguar illustration. The word "FISCAL" is also present at the bottom of the right stamp.
