

The first of these is the fact that the  
 government has been unable to  
 maintain a stable currency. This  
 has led to a loss of confidence in  
 the government and a consequent  
 decline in the value of the  
 currency. The second is the fact  
 that the government has been  
 unable to maintain a stable  
 economy. This has led to a  
 decline in the value of the  
 currency and a consequent  
 loss of confidence in the  
 government. The third is the fact  
 that the government has been  
 unable to maintain a stable  
 political system. This has led to  
 a decline in the value of the  
 currency and a consequent  
 loss of confidence in the  
 government.
