

## PROBLEMS IN MARCH, 1968

BY ROBERT L. HARRIS

THE PROBLEMS OF THE MONTH ARE AS FOLLOWS:

1. **What is**

the name of the largest and most important industrial organization in the United States? It is not a bank, nor a company which makes cars or ships or airplanes. It is not a large insurance company. It is not a company which makes shoes or refrigerators. This organization may not be operating at the moment, since it has been dissolved, but it was a powerful, well-known, and influential organization. It was the largest organization in the country and it had many branches in almost every state. It was a political party, a financial institution, and a business corporation.

2. **What is the name of the largest organization of women?**

3. **What is the capital of a small country in South America?**

This country is one of the smallest countries in South America and it is located near the equator. It is a very poor country and its people are very poor.

4. **What is the name of a famous movie star?**

This person is a famous movie star and she is known for having had many different husbands.

5. **What is the name of a famous author?**
