A continuación, el Presidente Ejecutivo en su

informe expuso algunos temas, entre los cuales resaltó los siguientes: El buen crecimiento de la empresa en el año 2011, pese a las dificultades por la eliminación de la tarjeta de afiliación. La ingente inversión de tiempo, recursos y capital humano para atender el sinnúmero de requisitos por parte de las Autoridades gubernamentales en procesos administrativos emanados de nuevas leyes expedidas y, especialmente, sobre la nueva ley antimonopolio de cuyo proceso administrativo salió sin observaciones en contra de la empresa y, de ciertos Municipios, por la expedición de nuevas ordenanzas y reglamentos. Presentó los cuadros sobre el estado de Corporación Favorita C. A. y sus Filiales comerciales, agroindustriales e inmobiliarias, relativos a ventas, ingresos, utilidades, gastos generales y de personal, registro sanitarios, gastos de seguridad y otros que hacen relación a un comparativo con empresas a nivel mundial en el ramo de supermercados. Los balances fueron presentados conforme lo manda la ley. A continuación la Junta General revisó y analizó los balances de la empresa. Acto seguido, el Comisario Principal dio lectura a su informe y, en cuanto al informe de Auditores Externos, el señor Presidente manifestó que el mismo se encuentra ya en manos de los señores accionistas y que entiende que ya fue leído por éstos, poniéndolos todos ellos a consideración de los señores accionistas. La Junta General procedió por unanimidad de los presentes a la aprobación de todos los informes. **SEGUNDO PUNTO: CONOCIMIENTO DE CUENTAS Y BALANCES CORRESPONDIENTES AL EJERCICIO DEL AÑO 2011.-** La Presidencia presentó conforme manda la ley a los señores accionistas las cuentas y balances correspondientes al ejercicio del año 2011. Luego de algunas ponencias de algunos de los señores accionistas y las respuestas y clarificaciones efectuadas por parte de la administración, el Presidente puso a consideración de los señores accionistas las cuentas y balances correspondientes al ejercicio fiscal del año 2011. La Junta General procedió a aprobar este punto por unanimidad de los presentes. Se deja expresa constancia de la abstención de los administradores en la aprobación de este punto. **TERCER PUNTO: DESTINO DE LAS UTILIDADES DEL EJERCICIO ECONÓMICO DEL 2011.-** El Presidente concedió la palabra a los señores accionistas para que éstos puedan presentar propuestas sobre el reparto de utilidades en el presente ejercicio económico. Se presentaron ocho propuestas, incluyendo entre éstas la del Directorio y representante legal, conforme manda la ley y el estatuto social de la empresa. Las propuestas números 2 y 4, para efectos del reparto de utilidades, resultaron menores a aquella presentada por el Directorio, razón por la cual, éstas dos quedaron excluidas por decisión unánime de los señores accionistas presentes. Las seis restantes fueron las siguientes: propuesta uno consistente en repartir treinta millones de dólares de los Estados Unidos de América en efectivo y setenta millones de dólares de los Estados Unidos de América en dividendo acción; propuesta tres consistente en repartir treinta millones de dólares de los Estados Unidos de América en efectivo y setenta millones de dólares de los Estados Unidos de América en dividendo acción; propuesta cinco, presentada por el directorio y representante legal, consistente en que de la utilidad del año y resultado integral que consta detallado en los balances, una vez descontada la reserva legal, las provisiones para participación a trabajadores, donación a ejecutivos e impuestos a la renta, se reparta en efectivo la cantidad de treinta millones de dólares de los Estados

Unidos de América y se realice un aumento de capital por la suma de treinta y tres millones de dólares de los Estados Unidos de América y, el saldo de las utilidades se las envíe a la reserva facultativa; propuesta seis consistente en repartir cuarenta millones de dólares de los Estados Unidos de América en efectivo y treinta millones de dólares de los Estados Unidos de América en dividendo acción; propuesta siete consistente en repartir ciento treinta y cuatro millones de dólares de los Estados Unidos de América en efectivo y nada en dividendo acción; y, propuesta ocho consistente en repartir cincuenta y cuatro millones de dólares de los Estados Unidos de América en efectivo y ochenta millones de dólares de los Estados Unidos de América en dividendo acción. El Presidente sugirió se designe a dos señores accionistas para que realicen el proceso de escrutinio, correspondiendo a los señores Franklin Rojas y Marco Ponce por decisión de la asamblea que, junto con el señor Secretario Ad Hoc, certificaron los resultados de la votación. Así mismo, la Junta decidió que, por cuanto las propuestas uno y tres resultaron idénticas, éstas dos se unifiquen para efectos de la votación. Los resultados de la votación, verificados por los dos señores accionistas designados y por el Secretario Ad Hoc, quedaron así: para las propuestas uno y tres unificadas, la votación favorable fue de US \$3'568.430 que corresponde al 1.82% del capital presente; para la propuesta número cinco la votación favorable fue de US \$139'522.874 que corresponde al 71.14% del capital presente; para la propuesta seis la votación favorable fue de US \$32'182.230 que corresponde al 16.41% del capital presente; para la propuesta siete la votación favorable fue de US \$686.368 que corresponde al 0.34% del capital presente; para la propuesta ocho la votación favorable fue de US \$5'909.650 que corresponde al 3.01% del capital presente; votos nulos US \$1'797.925 que corresponde al 0.92% del capital presente; votos blancos US \$12'465.459 que corresponde al 6.36% del capital presente; ninguno de los señores accionistas presentes, manifestaron su deseo de abstenerse en la votación. Consecuentemente, por decisión mayoritaria de los señores accionistas presentes, la propuesta número cinco se la aprobó, consistente en realizar un reparto en dividendo en efectivo por la suma de treinta millones de dólares de los Estados Unidos de América, valor que se cancelará a partir del miércoles 30 de mayo del 2012; debiendo el saldo de las utilidades enviárselas a la reserva facultativa y, proceder a aumentar el capital social de la empresa en la suma de treinta y tres millones de dólares de los Estados Unidos de América, aumento que se lo realizará en proporción al capital que cada uno de los señores accionistas posee y se emitirán desmaterializadas nuevas acciones ordinarias y nominativas de un dólar de los Estados Unidos de América, numeradas desde el doscientos sesenta y siete millones uno al trescientos millones inclusive, pudiendo cada título amparar múltiples acciones, las que se depositarán a favor de cada uno de los señores accionistas, una vez que la Superintendencia de Compañías haya aprobado el trámite respectivo y se encuentre el mismo perfeccionado en el Registro Mercantil. Aumentando el capital de la forma antes resuelta, la compañía se beneficia también con la disposición contenida en la última reforma a la Ley de Régimen Tributario Interno que permite a las empresas que reinvierten sus utilidades, vía aumento de capital, pagar una cantidad menor de impuesto a la renta. Así mismo, se resolvió que por cuanto no todos los accionistas aumentarán su capital en proporción matemáticamente exacta a su participación en la empresa, éstos

cedieron su derecho de atribución que tienen de conformidad con la ley sobre dichas fracciones de acción, procediendo a completar las que sean necesarias, tomándolas del accionista Ecuastock S.A., cuya única accionista, a la vez, es la compañía Corporación Favorita C. A.. Con este incremento, el capital asciende a la cantidad de US \$300'000,000. Adicionalmente, la junta por unanimidad de los presentes, autorizaron para que el representante legal proceda con la suscripción física o por medio magnético, según corresponda de los formularios del SRI por la donación resuelta. En cuanto a la reforma del estatuto social, a consecuencia del aumento de capital resuelto, los accionistas acordaron lo que se indica en el siguiente punto del orden del día. **CUARTO PUNTO: REFORMA DE ESTATUTOS.-** El señor Presidente manifiesta que, a consecuencia del aumento de capital acordado en el punto del orden del día anterior, es indispensable reformar el Estatuto Social de la empresa en sus artículos quinto, del capital social y cuadragésimo cuarto, integración y pago del capital, para lo cual sugiere los siguientes textos: "Art. 5.- CAPITAL: El capital social es el de TRESCIENTOS MILLONES DE DOLARES DE LOS ESTADOS UNIDOS DE AMERICA, dividido en trescientos millones de acciones ordinarias y nominativas de un dólar de los Estados Unidos de América cada una. Este capital se encuentra suscrito y distribuido de conformidad con lo que se establece en el presente Estatuto Social. Si la Compañía resolviera aumentar el capital, en la suscripción de nuevas acciones, tendrán preferencia los accionistas y a prorrata de sus acciones, debiendo tales legítimos poseedores ejercitar sus derechos al respecto dentro del plazo previsto por la Ley, vencido el cual las nuevas acciones podrán ser ofrecidas al público." "Art. 44.- INTEGRACION Y PAGO DE CAPITAL: El capital social de la compañía de TRESCIENTOS MILLONES DE DOLARES DE LOS ESTADOS UNIDOS DE AMERICA, se encuentra íntegramente suscrito y pagado." Así mismo, indicó que para cumplir de forma adecuada y completa todos los procesos de producción, comercialización, empaque, envase y demás actividades comerciales que realiza la empresa, se requiere realizar una reforma al artículo 4 del estatuto social de la empresa que hace relación al objeto y medios de la misma, sugiriendo el siguiente nuevo texto: "Art. 4.- OBJETO Y MEDIOS: La compañía tiene como objeto principal la organización, instalación, administración de almacenes, mercados, supermercados y comercio en general, así como la producción de alimentos y bebidas y demás mercancías en general, los que podrán ser expendidos, acondicionados, preparados, producidos, empacados, envasados, organizados para su comercialización, distribución y venta al público general de toda clase de mercaderías y artículos nacionales y extranjeros, por tanto, son propias de la compañía todas las actividades conexas y complementarias a las antes señaladas y que mediata o inmediatamente se relacionen con ellas. Para el cumplimiento de sus objetivos, la compañía podrá ejercer toda clase de actos, contratos, actividades comerciales, productivas e industriales permitidas por las leyes y que tengan relación con el objeto social de la empresa." La Junta General aprobó por unanimidad de los presentes, las reformas antes indicadas y, finalmente, autorizaron al representante legal de la empresa y a su procurador para que realicen todos los trámites necesarios para perfeccionar el aumento de capital y las reformas al estatuto social acordadas, así como para que suscriba, el Presidente Ejecutivo, la respectiva escritura del aumento de capital y reformas

de estatuto social. **QUINTO PUNTO: ELECCIÓN DE COMISARIOS FIJACIÓN DE REMUNERACIONES.**- El señor Presidente expuso que es necesario proceder a la designación de comisarios, sugiriendo la reelección de los actuales, señores Ing. Gonzalo Rueda como principal y Dr. Juan Carlos Gallegos como suplente. Sugerencia que la Junta General la aprobó por unanimidad de los presentes y delegó a la administración la fijación de las remuneraciones. **SEXTO PUNTO: DESIGNACION DE AUDITORES EXTERNOS Y FIJACION DE HONORARIOS.** El Presidente explicó que como todos los años, es necesario que la Junta General designe a los Auditores Externos, por tanto sugirió que los Auditores que vienen actuando, firma Deloitte & Touche, y que lo han hecho eficientemente sean contratados nuevamente para que actúen en el presente ejercicio económico. La Junta General, resolvió por unanimidad ratificar la contratación como Auditores Externos a la firma mencionada y delegó a la administración el establecimiento del respectivo honorario. Concluido el orden del día, el señor Presidente manifestó a la Junta que se tomará un corto receso con el objeto de que se proceda a la redacción del acta.
