101 ALGAE AND ACIDIC SEDIMENTS AT THE LAY OF THE BOTTLES (see legend at Fig. 2B; see also Fig. 2A)

1 ECUADOR BENITES JUAN JOSE 090144315 ECUADORIAN

This image shows a horizontal strip of white paper with several vertical black lines. The lines are evenly spaced and extend from the top edge to the bottom edge of the strip. On the far right side of the strip, there are three small black numbers: '12' at the bottom, '13' in the middle, and '14' at the top. These numbers likely indicate page numbers or specific markings on the document.

A black and white photograph showing a person's hand holding a small, dark object over a grid pattern. The word "SUNNY" is written vertically in the upper right corner of the frame.

This image shows a heavily damaged metal surface, likely from a fire or explosion. The surface is covered in a dark, mottled discoloration and numerous deep, jagged holes and craters, characteristic of shrapnel or bullet impact. A faint grid pattern is visible across the surface, which appears to be a metal plate or sheet.

This image shows a portion of a document page with a grid of 12 rectangular boxes arranged in three rows and four columns. The boxes are outlined in black. Handwritten numbers are visible in some of the boxes: '68' in the top-left, '63' in the top-middle, '17' in the bottom-right, and '12' in the bottom-middle. The rest of the boxes are either empty or contain faint, illegible markings.

A black and white photograph showing a close-up of a person's face, possibly wearing a mask or having dark hair, looking slightly to the side. The image is framed by a thick black border.
