1. The first group of people who are likely to be affected by the proposed changes are those who are currently employed in the public sector. This group includes a wide range of individuals, from those who are employed in the public sector to those who are employed in the private sector. The proposed changes are likely to have a significant impact on this group, as they will be required to adapt to the new requirements. This may involve changes to their current roles, responsibilities, and skills. It is important to ensure that these individuals are adequately supported and trained to meet the new requirements.

As a result of the above, the following is proposed:
