

James A. Edwards, Jr., Chairman, U.S. House Committee on Small Business, Washington, D.C.

Small business is the backbone of our economy. It is the engine of job creation and economic growth. It is the source of innovation and entrepreneurship. It is the cornerstone of our nation's success.

Small business is facing significant challenges. The economy is still recovering from the Great Recession. The cost of doing business is increasing. The regulatory environment is becoming more burdensome.

Small business needs a pro-business administration. One that will support small business growth. One that will protect small business from unnecessary regulation. One that will help small business succeed in the global economy.

Small business is the lifeblood of our economy. It is the foundation of our nation's success. It is the source of innovation and entrepreneurship. It is the cornerstone of our nation's success. It is the engine of job creation and economic growth. It is the cornerstone of our nation's success.

Small business is the backbone of our economy. It is the engine of job creation and economic growth. It is the cornerstone of our nation's success. It is the source of innovation and entrepreneurship. It is the cornerstone of our nation's success.

Small business is the cornerstone of our nation's success. It is the source of innovation and entrepreneurship. It is the cornerstone of our nation's success. It is the engine of job creation and economic growth.

Small business is the cornerstone of our nation's success. It is the source of innovation and entrepreneurship. It is the cornerstone of our nation's success. It is the engine of job creation and economic growth.

Small business is the cornerstone of our nation's success.

Small business is the cornerstone of our nation's success.
