Figure 1. Schematic diagram of the experimental setup. The subject is seated in a chair and views the target through a video camera. The target is a light source that is controlled by a computer. The subject's hand is positioned at the target. The distance between the subject and the target is 100 cm. The target is a light source that is controlled by a computer. The subject's hand is positioned at the target. The distance between the subject and the target is 100 cm.

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $\epsilon \rightarrow 0$. It is shown that the solutions of the system (1) converge to the solutions of the system (2) as $\epsilon \rightarrow 0$. The convergence is uniform on compact subsets of the domain Ω .
