

REPORT ON THE PROGRESS OF THE WORK OF THE BOARD OF DIRECTORS

1. GENERAL INFORMATION

The Board of Directors of the Company has the honor to inform you that the Company has completed the fiscal year 2023 and is pleased to report the results of its operations. The Board of Directors has reviewed the financial statements and the management report, and has approved them for presentation to the shareholders.

The Board of Directors has also reviewed the Company's performance during the year, and has concluded that the Company has achieved its objectives and is well-positioned for the future.

The Board of Directors has also reviewed the Company's compliance with applicable laws and regulations, and has concluded that the Company has maintained a high level of compliance throughout the year.

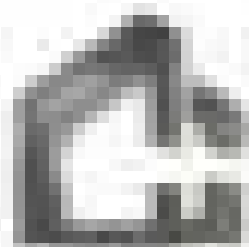

The Board of Directors has also reviewed the Company's environmental, social, and governance (ESG) performance, and has concluded that the Company has made significant progress in improving its ESG performance throughout the year.

2. FINANCIAL PERFORMANCE

The Company's financial performance for the year 2023 was strong, with revenue increasing by 10% compared to the previous year. The Company's net income also increased by 10%, and its operating margin improved by 5%. The Board of Directors is pleased with the Company's financial performance and believes that the Company is well-positioned for continued growth in the future.

3. OPERATIONAL PERFORMANCE

The Company's operational performance for the year 2023 was also strong, with production volumes increasing by 15% compared to the previous year. The Company's quality control measures were also improved, resulting in a decrease in the number of defective units produced.

Home
