

* Figures are based on the number of entries listed in each category.

El presente artículo se divide en tres partes. En la primera se describen los antecedentes de la investigación, en la segunda se presentan los resultados de la investigación y en la tercera se discuten los resultados y se hacen algunas sugerencias para futuras investigaciones.

Este capítulo trata de aspectos importantes de la formación del docente y de su vida profesional en el ámbito docente. El autor analiza la formación inicial y la formación continua, así como la formación en servicio. También se aborda la formación en valores y la formación en competencias. El capítulo concluye con una reflexión sobre la importancia de la formación docente para la calidad de la educación.
