**ACTA DE JUNTA GENERAL UNIVERSAL DE ACCIONISTAS DE LA COMPAÑÍA
EUROVEHICULOS S.A., REUNIDA EL 3 DE ENERO DE 2010**

En la ciudad de Guayaquil, a los 3 días de Enero de 2010, a las 14:00 horas en las oficinas ubicadas en la Avenida Carlos Julio Arosemena, kilómetro 2 ½ de la Vía a Daule, se reúnen los accionistas de la compañía EUROVEHICULOS S.A. (en adelante EUROVEHICULOS), a saber: la compañía **ALMACENES JUAN ELJURI CIA. LTDA.**, debidamente representada por el señor Juan Doumet Antón, propietaria de 2000 acciones; la compañía **CORPSIR S.A.**, debidamente representada por el señor Roberto Doumet Eljuri, propietaria de 2000 acciones; la señora **OLGA MARIA ELJURI ANTON DE DOUMET**, por sus propios derechos, propietaria de 2000 acciones; **FUNDACIÓN RIO DE ENERO**, entidad Panameña debidamente representada por el señor Juan Ignacio Doumet Eljuri, propietaria de 2000 acciones; y, la compañía **XELCOM S.A.**, debidamente representada por el señor Alfredo Dassum Aivas, propietaria de 2000 acciones. Todas las acciones son ordinarias y nominativas, de un valor de USD \$0.40 cada una y se encuentran pagadas en su totalidad.

Preside la sesión el señor Juan Doumet Antón, Presidente de la compañía, y actúa como Secretario el señor Juan Ignacio Doumet Eljuri, Gerente General de la compañía. Se elabora la lista de asistentes y comprobado que se encuentran presentes los accionistas que representan la totalidad del capital suscrito y pagado de la compañía que es de USD \$4.000,00, estos resuelven por unanimidad, al amparo de lo dispuesto en el artículo 238 de la Ley de Compañías, constituirse en Junta General Universal de Accionistas, y además, también por unanimidad, que ésta tenga por objeto tratar los siguientes puntos del orden del día:

1. Conocer y resolver sobre la elevación del valor del importe de cada acción.
2. Conocer y resolver sobre el aumento de capital de la compañía.
3. Conocer y resolver sobre la reforma de los estatutos sociales de la compañía.

El Presidente de la Junta declara instalada la sesión y ordena se pase a considerar el primer punto del orden del día.

Toma la palabra el señor Juan Doumet Antón y manifiesta que considera conveniente a los intereses de la empresa el elevar el importe de las acciones en que se divide el capital suscrito de la compañía al valor nominal de UN dólar, a fin de que el valor de las acciones de cada accionista refleje de manera más adecuada el número de acciones que éste tiene. De esta manera, sostiene, el capital suscrito de la compañía será de US \$4.000,00, dividido en 4.000 acciones de un dólar cada una, en vez de US \$4.000,00 dólares, dividido 10.000,00 acciones de US \$0.40, como es actualmente. Argumenta, además, el señor Juan Doumet Antón que lo propuesto guarda relación con lo dispuesto en el artículo 11 de la resolución 00Q.II.008 dictada por el Superintendente de Compañías y que fuere publicada el 3 de mayo del 2000, así como lo señalado en la resolución 5, dictada por el mismo Superintendente de Compañías, y publicada el 26 de junio del 2001.

La Junta, luego de la respectiva deliberación, decide aprobar, unánimemente, la propuesta presentada por el señor Juan Doumet Antón, es decir, la elevación del importe de las acciones en que se divide el capital de la compañía al valor nominal de UN dólar cada una.

En tratamiento del segundo punto del orden del día, toma la palabra el señor Roberto Doumet Eljuri y manifiesta que considera conveniente a los intereses de la empresa fortalecer su posición patrimonial, para lo cual expresa que la compañía ALMACENES JUAN ELJURI C. LTDA. accionista de Eurovehiculos, mantiene bienes en las instalaciones de la empresa por un valor de USD\$3'159,584.47, según el inventario y avalúo adjunto, indicando además que

accionista ALMACENES JUAN ELJURI C. LTDA. ha expresado su interés de pagar el aumento de capital mediante el aporte de los bienes antes mencionados, más el pago en efectivo de 53 centavos de dólar de Estados Unidos para así llegar a la unidad completa (dado que el avalúo practicado contiene números fraccionados: 47 centavos de dólar de Estados Unidos de América). El señor Juan Doumet Antón, representante de la accionista ALMACENES JUAN ELJURI C. LTDA., toma la palabra en este punto y ratifica lo expresado por el señor Roberto Doumet Eljuri. En consecuencia, el señor Roberto Doumet propone aumentar el capital social de EUROVEHICULOS a la suma de USD\$ 3'163,585, es decir, un aumento efectivo de USD\$3'159,585, que se efectuaría mediante la emisión de 3'159,585 nuevas acciones de un dólar de los Estados Unidos de América, el cual sería pagado en su totalidad mediante el aporte de los bienes descritos en el inventario y avalúo adjunto por un valor de USD\$3'159,584.47 y además mediante el pago en numerario de USD\$0.53 centavos de dólar de Estados Unidos de América.

Expresa el señor Roberto Doumet, que para que el aumento de capital que él propone se pueda efectuar, es necesario que los accionistas de EUROVEHICULOS S.A., exceptuando ALMACENES JUAN ELJURI C. LTDA. por ser parte interesada, es decir: la compañía CORPSIR S.A., debidamente representada por el señor Roberto Doumet Eljuri, la señora OLGA MARIA ELJURI ANTON DE DOUMET, FUNDACIÓN RIO DE ENERO, debidamente representada por el señor Juan Ignacio Doumet Eljuri, y, la compañía XELCOM S.A., debidamente representada por el señor Alfredo Dassum, puntualmente: a) expresa y formalmente aprueben el inventario y avalúo adjunto, que determina que los bienes descritos en el mismo tienen un valor de USD\$3'159,584.47; y que además b) expresa y formalmente renuncien al derecho de preferencia a suscribir las nuevas acciones que les corresponde de conformidad con lo dispuesto en los artículos 181 y 207 numeral 6 de la Ley de Compañías.

Luego de la correspondiente deliberación, la Junta unánimemente resuelve:

1. Aprobar, con el voto expreso de los accionistas CORPSIR S.A., la señora OLGA MARIA ELJURI ANTON DE DOUMET, FUNDACIÓN RIO DE ENERO, y XELCOM S.A., el inventario y avalúo adjunto, que determina que los bienes detallados en el mismo, de propiedad de la accionista ALMACENES JUAN ELJURI C. LTDA, y que se encuentran almacenados en las instalaciones de EUROVEHÍCULOS S.A., tienen un valor de USD\$3'159,584.47. El mencionado inventario y avalúo es firmado por todos los accionistas de EUROVEHICULOS S.A., en señal de aprobación y aceptación.
2. Aprobar el aumento de capital de EUROVEHICULOS S.A. a la suma de US \$3'163,585.00, es decir, un aumento efectivo de US \$3'159,585.00, mediante la emisión de 3'159,585 nuevas acciones de un dólar de los Estados Unidos de América.

En este acto, los accionistas CORPSIR S.A., la señora OLGA MARIA ELJURI ANTON DE DOUMET, FUNDACIÓN RIO DE ENERO, y XELCOM S.A., expresa y formalmente renuncian a ejercer el derecho preferente que les asiste para suscribir nuevas acciones en el aumento de capital decidido en esta sesión, en proporción a su participación en el capital de EUROVEHICULOS S.A.

3. Aprobar que el pago del total de las de 3'159,585 nuevas acciones de un dólar de los Estados Unidos de América cada una, se efectúe mediante el aporte en especie de los bienes detallados en el inventario y avalúo adjunto, el mismo que ha sido aprobado en esta sesión con el voto expreso de todos los accionistas de EUROVEHÍCULOS S.A., que determina que estos tienen un valor de USD\$3'159,584.47, y además mediante el pago en numerario de USD\$0.53 centavos de dólar de Estados Unidos de América.

consecuencia, en este acto, la accionista ALMACENES JUAN ELJURI C. LTDA. procede a suscribir la totalidad de las 3'159,585 nuevas acciones de un dólar de los Estados Unidos de América que se emiten con motivo del aumento de capital acordado en esta Junta General, las mismas que serán pagadas en la forma aprobada en esta sesión.

Una vez aprobado el aumento de capital, y suscritas y pagadas las acciones por medio del referido aporte y pago en numerario, el capital social de EUROVEHICULOS quedará conformado de la siguiente manera:

Finalmente, en tratamiento del tercer y último punto del orden del día, esto es, la reforma del estatuto social, toma la palabra la señora Olguita Maria Eljuri Anton de Doumet y propone que se reformen los artículos QUINTO, SEXTO, SEPTIMO Y DÉCIMO PRIMERO del Estatuto Social de EUROVEHICULOS, que tratan sobre el capital de la compañía, para que estos guarden armonía con lo resuelto en esta sesión. Al respecto, en forma específica la señora Olguita Maria Eljuri Anton de Doumet propone que se elimine el artículo QUINTO que trata sobre el capital autorizado para que en el futuro la compañía no tenga capital autorizado sino que simplemente exista capital social debidamente suscrito por los accionistas. Además, propone eliminar el artículo SEPTIMO que trata sobre la participación de cada accionista fundador y el número de acciones suscritas y pagadas que cada accionista tiene en la compañía, así como también eliminar el artículo DECIMO PRIMERO que se refiere al valor de cada acción, e incorporar el texto de dicho artículo Décimo Primero, con el valor actual de cada acción decidido en esta sesión, que es de \$1,00, en el artículo SEXTO que trata sobre el capital suscrito, el mismo que propone que en adelante diga:

La Junta, luego de la respectiva deliberación, resuelve aprobar unánimemente la moción presentada por la señora Olguita Maria Eljuri Anton de Doumet, quedando en consecuencia eliminados los artículos QUINTO, SÉPTIMO y UNDÉCIMO del Estatuto Social de EUROVEHÍCULOS, y además reformado el artículo SEXTO del referido Estatuto, el cual en adelante tendrá el texto propuesto por la señora Olguita Maria Eljuri Anton de Doumet.

Finalmente, la Junta autoriza e instruye al Gerente General de la compañía, para que cumpla con el perfeccionamiento legal de lo resuelto por la Junta en esta sesión.
