De inmediato el Presidente de la Junta solicita que se pase a conocer el orden del día, dejando constancia de que los documentos cuya aprobación se tratará en la presente Junta General de Accionistas han estado a disposición de los accionistas, de conformidad con la Ley y los estatutos sociales.

1. Informe de administradores, informe de comisarios, informe de auditoría externa, balances y estados financieros por 1.998

El señor doctor Rafael Arcos Rendón solicita que por secretaría se de lectura a los informes que constan en el primer punto del orden del día.

Siguiendo las instrucciones del presidente de la Junta, la señora Cecilia B. de Páez, gerente general, y por lo tanto secretaria de la Junta General, da lectura al informe de los administradores que fue aprobado por el Directorio en sesión celebrada el día 12 de Marzo de 1.999. Una vez leído dicho informe se da lectura al informe de los comisarios de la compañía y al informe de los auditores externos Hansen Holm & Co.

A continuación la señora Gerente General explica a los accionistas respecto de las cifras del balance, estado de pérdidas y ganancias y otros documentos de carácter económico financiero de la compañía. Se hace notar que en el informe de los administradores se da una explicación pormenorizada de la situación económica y por tanto del balance y estados financieros.

El Presidente de la Junta indica que cada uno de los señores accionistas presentes tiene una copia del balance y estado de pérdidas y ganancias en la carpeta que ha sido distribuida entre los asistentes y que dichos documentos e información han sido ampliamente explicados, por lo tanto se somete a consideración de la Junta General la aprobación respectiva de los informes y documentos presentados en este primer punto del orden del día.

A continuación los accionistas señores Antonio Mendoza y Gonzalo Páez realizan algunos comentarios en relación con los informes presentados por la Gerente General y solicitan algunas explicaciones sobre aspectos relacionados con los mismos.

La Gerente General explica ampliamente todos los aspectos comentados por los accionistas así como aspectos financieros que respaldan los informes presentados.

A continuación el Sr. Miguel Sansur mociona la aprobación de los informes presentados por la Administración de la Compañía con una felicitación por la gestión realizada y los resultados alcanzados; esta moción es apoyada por el Sr. Alberto Kuri y la Junta General aprueba por unanimidad todos los documentos mencionados y que constan en el primer punto del orden del día, por cuanto éstos reflejan el estado económico de la compañía, informes que son aprobados con el voto salvado de los administradores.

2. Decisión sobre destino de utilidades.-

Se pasa a conocer el segundo punto del orden del día. El Presidente de la Junta solicita que por secretaría se haga conocer la propuesta que al respecto presentan los administradores de la compañía. La señora Cecilia B. de Páez expone y explica a los señores accionistas cual es la propuesta de los administradores. Las cifras que constan en la propuesta del Directorio fueron analizadas en el anterior punto del orden del día y aprobadas en el momento en que se aprobó el balance y estados financieros.

La propuesta del Directorio se resume de la siguiente manera:

- Recomendar a la Junta General de Accionistas no repartir utilidades en efectivo sino capitalizar la suma de S/. 1.826'850.638.

La Junta General resuelve por unanimidad aceptar la recomendación del Directorio y por tanto no repartir utilidades en efectivo sino capitalizar la suma de S/. 1.826'850.638.

3. Aumento de capital de la compañía y reforma de estatutos sociales.

Se pasa a conocer el tercer punto del orden del día. La señora Gerente General presenta a los accionistas la propuesta de aumento de capital que consiste en aumentar el capital suscrito y pagado en S/. 14.717.291.000, planteándose que a la suma de S/. 1.826'850.638 de utilidades netas, que en el punto anterior se resolvió capitalizar, se añada la Reserva Legal por S/. 167'108.333, más S/. 9.400'005.013 correspondientes a un valor parcial de la Reserva por Revalorización del Patrimonio, neto de compensación del saldo deudor de la Reexpresión Monetaria, más S/. 3.323'327.016 correspondientes a la prima de la venta de acciones al 31 de Diciembre de 1.998. El resultado será de S/. 14.717'291.000 a capitalizarse equivalente al 50.15% del Capital actual Suscrito y Pagado.

El Sr. Antonio Mendoza comenta, nuevamente, sobre la propuesta de la administración y solicita la capitalización de la totalidad de las reservas a favor de los accionistas. Moción que es secundada por el Sr. Gonzalo Páez. La Gerente General explica que se plantea se mantenga sin capitalizar un valor parcial de la reserva por revalorización del Patrimonio porque el año 1.999 se prevé que será un año difícil para la operación del Hospital y por ende para sus resultados. Por tanto, esta reserva podrá utilizarse de mejor forma para el ejercicio 1.999. El Sr. Páez plantea que Conclina, entonces, ofrezca a sus accionistas la posibilidad de acceder a sus servicios a través de algún plan que les de cobertura. La Gerente General ofrece que se pondrá en consideración de los accionistas la posibilidad de acogerse al plan de asistencia médica que cubre a los empleados y médicos del Hospital Metropolitano. El Sr. Gonzalo Ramón, manifiesta su desacuerdo con la propuesta del Sr. Mendoza y solicita la aprobación de la propuesta de la administración tal y como consta en los documentos que se anexan.

Expresamente los accionistas aceptan la negociación que se lleve a cabo sea en su calidad de cedentes o cesionarios

A continuación el Dr. Arcos expone a la Junta General la necesidad de modificar el objeto social de la compañía a fin de que se asegure que en el mismo se incluyan todos los aspectos inherentes a la operación de la Institución y sus fines, por tanto presenta a consideración de la Junta la modificación del primer párrafo del Artículo No. 2 de los Estatutos Sociales, el mismo que quedaría como sigue:
