

89 485

Figure 1 consists of three cross-sectional diagrams of a concrete slab with a central hole. The left diagram, labeled 'DETALLE DE VOTURE D'ENDREUSE', shows a hole with a diameter of 100 mm and a depth of 100 mm. The middle diagram, labeled 'DETALLE DE VOTURE D'ENDREUSE', shows a hole with a diameter of 100 mm and a depth of 100 mm. The right diagram, labeled 'DETALLE DE VOTURE D'ENDREUSE', shows a hole with a diameter of 100 mm and a depth of 100 mm. The diagrams illustrate the placement of reinforcement bars and the use of end-reinforcement.
