15. *St. John's Wort*

1.1.1. *Non-ionic emulsifiers*

1. The first group of authors (e.g., [1, 2]) considers the problem of the control of the motion of a mechanical system with a variable structure. The control is determined by the law of change of the structure of the system. The control is determined by the law of change of the structure of the system. The control is determined by the law of change of the structure of the system.

THE PROBLEM

E. coli O157:H7 was isolated from ground beef samples collected from retail outlets in the United States.

Table 1. *Salmonella* serotypes and phage types isolated from the 1990-1991 and 1991-1992 seasons
