

1. The first step in the process of developing a business plan is to determine the purpose of the business.	2. The second step is to determine the products and services that the business will offer.	3. The third step is to determine the target market for the business.	4. The fourth step is to determine the financial requirements of the business.	5. The fifth step is to determine the legal requirements of the business.
6. The sixth step is to determine the marketing strategy for the business.	7. The seventh step is to determine the operational requirements of the business.	8. The eighth step is to determine the human resources requirements of the business.	9. The ninth step is to determine the risk management requirements of the business.	10. The tenth step is to determine the exit strategy for the business.
