A high-contrast, black-and-white image showing a single, fluid, black ink stroke forming the character 'Q' in a cursive or handwritten style. The character is oriented vertically, with its loop extending upwards and to the right. The background is entirely white, making the black ink stand out sharply.

The image consists of several thick, black, abstract shapes on a white background. One shape on the left looks like a stylized 'G' or 'B'. To its right is a long, sweeping curve that loops back on itself, resembling a 'C' or a stylized 'S'. Further to the right, there are more complex, branching forms that look like stylized 'M's or 'W's. The overall effect is like a minimalist, high-contrast graphic design.
